Hydropower and dams' positive role is now widely recognized

Hydropower and dams' positive role is now widely recognized. The 20th African President for ICOLD and a World Declaration launched!

ICOLD is pleased to announce the launch of the 20th African President for ICOLD and a World Declaration. The 20th African President for ICOLD is Mr. [Name], who was elected during the 20th African Congress in Kyoto. The World Declaration is a landmark document that recognizes the positive role of hydropower and dams in sustainable development. The declaration is a result of the efforts of the African continent and the ICOLD family. It is a testament to the commitment of the African continent to sustainable development and the role of hydropower and dams in achieving this goal. The declaration is a landmark document that recognizes the positive role of hydropower and dams in sustainable development. It is a testament to the commitment of the African continent to sustainable development and the role of hydropower and dams in achieving this goal.
