- ▶ Small hydro development
- ▶ Tailings Dams development and closure
- ▶ Environment and social aspects
- ▶ Multipurpose water storage projects
- ▶ Operation, maintenance and refurbishment of dams

### Programme

#### Overview

The conference will commence on Tuesday morning 5 November. On Tuesday there will be presentations by keynote presenters and of technical papers. There will be a special programme for the young engineers during the first two days of the conference. The conference dinner will be held on the Wednesday evening. A technical visit to the Metolong Dam site in Lesotho, has been arranged for Thursday 7 November. Valid passports are required to enter Lesotho. DWA delegates require permission from the minister of Water Affairs and therefore have to register early. Refer to the "important dates" section.
